Victorian Venturers

Western Region Unit Management Course

The Unit Management Course is designed to:

- assist Unit Council members to run more effective Unit Council meetings.
- enable Venturers to take a more effective role in supporting the running of the Venturer Unit.

This is a course which has active involvement and participation for Venturers and Leaders.

A key aspect is involvement from Unit Leaders who we need to assist throughout the course. It is also an excellent opportunity for new (and not so new) Venturer Leaders to build their knowledge about how the Unit should operate.

This course is open to all invested Venturer Scouts whether members of the Unit Council or not (there is no age restriction).

This course is part of the award scheme requirements for the Venturer Award and Queen's Scout Award.

Pre-Course work: There is a requirement that you undergo some pre-course work before the commencement of the course. The e-learning modules: **Basic Scout Safe** can be found by following the link: http://www.training.scouts.com.au/curriculums/youth

The module runs for about 75mins. If you are having trouble login in, please contact your leader for help.

Should Leaders attend?
