Safety is always our number one priority. It doesn't matter if we're online or in the hall, everyone has the right to feel safe and included.

These tips will help make virtual Scouting the best experience for everyone.

Protect your identity

- Don't give out personal information.
- Do you know who you're really talking to? Only add people to your personal social media that you know in real life

Respect other people

- Treat others as you wish to be treated.
- Remember there's a person at the other end.
- Be an upstander, not a bystander when you see negative behaviour.

Before you hit send

- Double check; are you sending to the right person?
Could someone misinterpret it?
- Remember anything you post is on the net permanently.
- Don't hit send when you're angry or upset.

Worried or concerned?

- Talk to a trusted adult.
- Block negative or unsafe content.
- Look after yourself and each other.
