

When a member signs a document or makes a verbal commitment it may be legally binding and/ or Scouts Victoria may feel bound to honour the commitment. It is thus important for the protection of our members and the integrity of Scouts Victoria that there are clear limits of authority that define what a Member can and cannot commit to on behalf of Scouts Victoria.

Following a round of consultation, the Branch Executive Committee (BEC) has recently adopted a revised Delegations Policy. The policy applies to all members of Scouts Victoria, all Scouts Victoria formations and bodies and their members (ie whether a member of the Scout Association or not).

POLICY STATEMENT

It is Scouts Victoria policy that no member or body or employee shall commit the Association to expenditure or other contractual arrangement without the relevant authority or appropriate approval as outlined below, as well as any required funding, being in place. Authorizations and approvals are to be in written form. All legal documents must be made in the name of The Scout Association of Australia, Victorian Branch.

As a general principle, a transaction is to be authorized or approved by a person or body other than the person undertaking or seeking the transaction [ie you can't give approval to yourself], and the actual payment of goods and services is to be undertaken by another separate person [ie a third person or body eg the relevant formation's Treasurer].

RESPONSIBILITIES

The policy lists responsibilities for Groups and Districts, as follows:

Subject to the procedures defined in this policy, the leader-in-charge and/or nominated office-bearer of a Group, District, Region or of an activity team, event team or support group under the auspices of, and reporting to, a District or Region, may act on the behalf of the Association with respect to:

- *Hall hire licences (short term)*
- *Venue hire (one off, short term)*
- *Trailer, boat and vehicle registrations*
- *Operation of bank accounts*
- *Travel arrangements within Victoria*
- *Provision of activities by third parties*
- *Asset purchases*
- *Service arrangements*
- *Applications for grants for local purposes.*

Responsibilities are also listed in the policy for Branch and Regions.

PROCEDURES

Re delegations to those acting on behalf of a group, District or Region and associated bodies, the overarching procedure is:

Before the leader-in-charge and/or nominated office-bearer of a Group, District or Region or of an activity team, event team or support group under the auspices of, and reporting to, a District or Region, signs or otherwise commits the Association the following requirements must be met:

- *approval of the relevant Group Council and/or Group Support Committee / District Executive / Region Executive and/or independent control group;*
- *the relevant formation funds being available;*
- *a Branch defined 'preferred 3rd party provider' is used, if relevant;*

- *that they have no conflict of interest; and*
- *that any expenditure is within the financial delegation limits listed in the 'Schedule of Financial and other Delegations'.*

SPECIFIC PROCEDURES

The policy also covers a range of more specific procedures including the following:

Bank Accounts: All bank accounts must be in the name of the 'Scout Association of Australia, Victorian Branch – [insert local formation here]' and require two authorisations for payments.

Conflicts of Interest: If any person with a delegated authority has a conflict of interest in undertaking their delegation, then the delegation reverts to the next higher level ie if the nominated District personnel has a conflict of interest, then the equivalent Region level personnel would exercise the delegation.

Investment of funds: Cash assets not immediately required for operating expenses are to be deposited in an at-call cash deposit account or bank term deposit at an Australian licensed/regulated bank with a Standard and Poor's credit rating of no less than BBB+. No other investments are to be made without obtaining the approval of the BEC Investment Sub-committee.

Purchase, sale, and leasing of real estate: All purchase and sale of real estate must be approved by the BEC. The entering into lease agreements must be approved by the BEC or its delegate. The relevant delegations and required procedures are defined in the 'Real Property Policy'.

Trailers, boats and motor vehicles: All motor vehicles, whether required to be registered by law or not, shall be covered by third party insurance. All trailers, boats and vehicles that are registered are to be registered in the name of the 'Scout Association of Australia, Victorian Branch', with local responsibility identified through the garaging address. Scouts Victoria has a single client ID with VicRoads that provides for an ongoing fee waiver. To access this fee waiver, insert details of the trailer, boat or vehicle acquisition and disposal in the Scouts Victoria extranet site (Property>Group Assets>Trailers) and notify the Victorian Scout Centre via <reception@scoutsvictoria.com.au>.

Reporting / documentation: All commitments to expenditure or other contractual arrangement shall be documented in writing and a copy retained for seven years and all approvals shall be documented by way of approved minutes or other documentation. Any such documentation shall be available for viewing by a member, on request. All other formations shall provide an annual financial report to the respective Region and/or Branch within three months of the end of the financial year.
