
Bee Experience Course Information

GWS Anderson Scout Park – Officer
Est 1928
65 Dickie Rd Officer 3809

ROVER / LEADER / PARENTS
BEGINNER BEE COURSE

This is a more advanced program than the Venturer Environment Badge Course and will delve more deeply into the technical aspects of having your own bees at home, including hive inspection and what to look for. How to ensure your bees are disease free, Government requirements regarding registration and biosecurity of your bees. Open hive inspection (subject to weather conditions).

Enrolment and registration will be at 9.00 AM on Saturday morning please arrive on time. Camping on Friday night is available if required. The daily programme is planned to finish at approx. 3.00 allowing for free time. The course is planned to conclude at approx. 3.00 PM on Sunday.

Clothing for hive inspection:

- No woollen clothing is to be worn
- Long trousers
- Socks
- Shirt
- Closed shoes
- Water bottle
- Bathers and towel (swimming in the lake is an optional activity)

Stationary to bring with you.

- Paper / note book, Pen / pencil
- PIR Health forms

If you are camping, we do not have accommodation in buildings. Our site is tent camping only.

- Bring your own camping equipment including tent, sleeping bag and blanket, clothing as required, toiletries etc, etc.
- Bring your own meals except for lunch on Saturday and Sunday. A kitchen is available for you to cook your own meals.

Uniforms are required for arrival and departure and first and final parade.

Cost: $110.00
Included all camping fees and meals as set out below.
Includes sample of honey and lip balm.

Meals
We supply Saturday Lunch and Sunday Lunch
All other meals are self-cater. BYO snacks

If you have any special dietary requirement, please let us know BEFORE you arrive.
If you are allergic to bee stings you need to BYO Epi Pen and inform us on arrival.
