# Expedition Patrols . . . What the!

- AJ2022 is introducing overnight “Expeditions” to the Jamboree Program
- Individual Scouts will be able to select their Expedition preferences
- Additional to the regular Jamboree Patrols, Units will need to organise their Scouts into “Expedition Patrols”
  - This task is to be completed by the Unit Council before the Jamboree
- More detail to come later in today’s sessions

# Unit Phone Code Example

## PLAN>

- We have arranged (minimum) 2 devices per patrol
- We have planned a way of charging our devices
- Our patrol has arranged a roster, so we always have an active device
- We have arranged how these devices will be stored at camp

## DO>

- We respect our fellow Scouts privacy and do not take or post unwanted images
- We are present at the jamboree and not here on our devices
- We follow our roster so that we don't leave our Patrol deviceless
- We treat our fellow Scouts devices with respect
- We respect our leader's discretion when it comes to our devices
- We take responsibility for any lost, damaged or stolen devices and take precautionary methods to prevent such occurrences

## REVIEW>

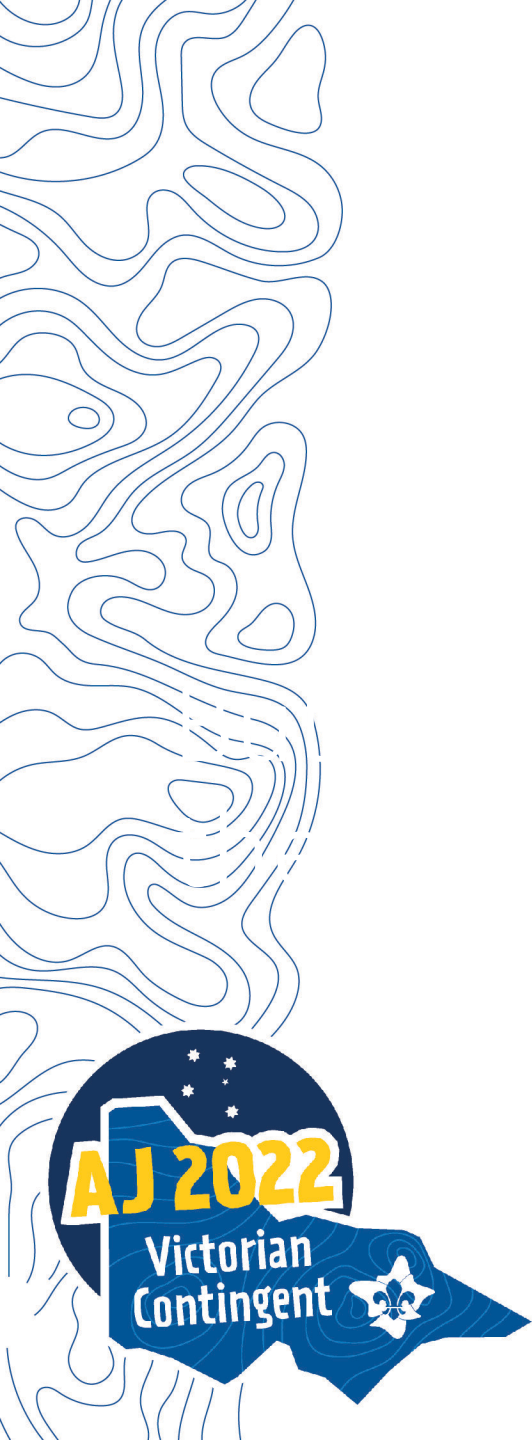

- Phone usage is reviewed at Unit Council
