# Some logistics

- **Gear drop & collect - no youth, parent support**

- Because we are in Victoria Units can deliver their gear to site.
- Gear will need to be secured from the elements
- No trailers or vehicles can be left onsite
- Drop off December 11 and 12 2021
- Collection January 15 and 16 2022 (Straight after AJ2022 finishes)
- Site will be a “Worksafe Site” so NO youth (under 18 yo) allowed on site
- Recommended that parents are “Voluntold” that gear drop off & collection is something that they can do to support the Unit going to AJ2022.

- **Transport**

- All Units and youth members will arrive and depart by bus. There will be no independent transport for youth members.
