

Hybrid Joey Scout Challenge Award Guide

Milestone 3

Milestone 3 requires:

- 16 participates (4 from each Challenge Area)
- 4 Assists (from at least two different Challenge Areas)
- 4 Leads (from any Challenge Areas)

Outdoor Adventure Activities

- A camp (To be under canvas of at least 1 night duration, not a sleepover in a hall. Kangaree cannot be used for this activity)
- Five Outdoor Adventure Activities (e.g., hiking, fishing, cycling, paddling, skiing, swimming)
*Running your usual program in park shouldn't count as an Outdoor Adventure Activity.

A Community Service activity

- Think of a way you can help another person in your community/area where you live and discuss this with your parents and Joey Scout Leader.
- Do your best to complete the activity you have chosen.
- Take photos of the activity to share with your Unit.
- Talk about who you helped and what you did at your Unit meeting.

An Adventurous Journey

An Adventurous Journey for Joey Scouts should present a real adventure – something new and exciting that helps set the scene for the experiences to come in the program. Joey Scouts will go on their Adventurous Journey with other capable Scouts (especially Joey Scout or Cub Scouts), adult leaders, and if they like, parents or guardians. The requirements for the Adventurous Journey are detailed in the Joey Scout Youth Member Guide. In general, the following apply as requirements:

- The Journey could take one of many different forms, it doesn't necessarily need to be a hike.
- The Journey itself should take at least 3 hours (not including travel to and from the start and end points).
- It should help the Scout connect with nature and the outdoors.
- The party size will be informed by the risk assessment.

The Joey Scout will be involved in participating and reflecting on the Journey. Whilst any Joey Scout working on Milestone 3 may use the Adventurous Journey towards their Peak Award, it is preferred that the Joey Scouts are involved in the planning and reviewing of the Journey.

A Personal Reflection

The Personal Reflection will be the last step of the peak award and should occur with an adult leader and at least one peer. You can find some guidelines on how to facilitate the Reflection in the Joey Scout Youth Member Guide. The Reflection isn't about deciding whether the Joey Scout does or doesn't receive their award; this is about helping them to reflect on everything they've learned along the way and to celebrate their own achievement!
