Course format:	The pitch	How it works	Formats available in 2021 by course type:					Don't pick this if:
			Scouting Essentials	Scouting Adventure	Scouting Management (LOA)	Scouting Leadership (LOY)	Scouting Leadership (LOA)	
 <b>Residential</b>	The original and the best. This is an immersive experience where you gain the skills needed to succeed in your role, some Scouting spirit, and life-long friendships and a support network.	Staying at a Scout adventure facility for a weekend in bunkrooms (and camping for Scouting Adventure)	✓	✓	✓	✓	✓	Distance, work responsibilities or caring responsibilities make it hard to get the full experience
 <b>Weeknight</b>	Over five weeks you gain the skills each week and apply them directly into your role so that you can reflect and refine with your course members	Attend sessions (online, face-to-face, or a combination) on one night a week for five consecutive weeks	✓	✓ (Seminars supporting completion of recognition of proficiency)		✓		You can't commit to all weeknight sessions, or you're uncomfortable with online training sessions
 <b>Non residential</b>	Lots of the benefits of our residential courses, but in more locations closer to you	You attend an online session on a weeknight, then complete a task/activity on your own, culminating in an action-packed skills day on one day of a weekend	✓		✓		✓	You're uncomfortable with some online training or some self-directed learning
