

Winter Gathering 2021 - Virtual VA Initiative Course

Construction CHALLENGE

RESOURCES REQUIRED:

- Rope/String
- Sticks/Chopsticks/Bamboo Skewers/Paddle Pop Sticks
(What ever you have available to make a catapult)
- Rubber bands/bungee

CHALLENGE DESCRIPTION:

A key part of an initiative course is the ability to know your lashings and knots. So, your challenge is to create the most amazing catapult you can out of whatever you can find (rope, string, paddle pop sticks, sticks from your back yard, chopstick, bamboo skewers, even Lego is an option)

But there's a catch: you must use a minimum of 3 different lashings and knots when making your catapult.

We want to see photos of your different knots and lashings. Along with a video or photo of your catapult in action.
