CHALLENGE DESCRIPTION:

Pack Inspection is the first element of any initiative course, and one of the most important! Even though we can't physically do a Pack Inspection, we still have a way to check you have the right gear.

You might have seen the Emergency Services "Tetris Challenge", with emergency service workers posting photos with all their gear neatly arranged – see photo - >

We want you to do the same thing!

We want to see 2 photos:

1. A "Tetris" photo with you, your backpack, and all your gear neatly arranged
2. A photo of you with all the gear packed in your backpack, and the pack on your back (bonus for smiles!)
