Shout For Good

Getting started with Shout.

By utilising Shout's full suite of products for both physical and virtual events, Scout Groups can increase their fundraising drives.

Charity partners will need to go through a simple approval process which can take between 2-7 business days.

Download the Sign Up Checklist

Signing Up your Scout Group

If your Group does not bank with ANZ, no worries. Make sure to list your Group Leader and anyone else who is a signatory on the banking account under the 'responsible persons' section of the application.

Application Review and Setup

After submitting your application, it goes through a Shout review process as part of our due diligence and identification process.

Application Status

Shout will update you once the review process is complete.

Application Complete

You will receive a confirmation email once we've completed the review and activated your charity on Shout.
