

# Cuboree 2023 Achievements

## Outdoor Adventure Skills

Bushcraft Stage 1: I have participated in a game that required basic navigational skills.

Bushcraft Stage 2: I can demonstrate three knots and apply them in an activity.

Bushcraft Stage 3: I can make a personal shelter out of plastic sheeting, rope and other things I have found.

Bushcraft Stage 4: I have tried different ways to purify water for drinking and can talk about when it is appropriate to do so.

Boating Stage 1: I can tie a reef knot.

Vertical Stage 1: I know what to do if I get lost at an activity.

Vertical Stage 1: I have discussed what the purpose of a helmet is.

Vertical Stage 1: I have been to a rock playground and know how to play safely and cooperatively with others.

Vertical Stage 1: I know how to wear and adjust a helmet.

Vertical Stage 1: I can talk about what I enjoyed, learnt, or improved upon by participating in a rock-based activity. (If they do this review in your Unit)

Have a look at other statements which may have been achieved at Cuboree, such as:

- Stage 2: I can put on my own helmet and harness properly.
- Stage 2: I can explain why we do harness and carabiner checks before we begin our rock activity.
- Stage 2: I have been climbing twice on an artificial wall or natural rock formation.

Bushcraft Stage 1 - I can strike a match.

Bushcraft Stage 1: I know to stop when I get lost on activities.

Bushcraft Stage 2: I know the rules for hygiene at camp.

Camping Stage 3: I know how to maintain personal hygiene while camping.

Have a look at other statements which may have been achieved at Cuboree, such as:

- Camping Stage 3: I can demonstrate keeping myself safe from natural and man-made things at camp.
- Camping Stage 3: I have spent five nights on camp in a tent by the end of this stage.

*Note: as Camping Stage 2 was a recommendation for all attendees to achieve before coming to Cuboree, Camping Stage 1 & 2 achievements are not included here.*

**For Adventure!**

# Special Interest Areas

Adventure & Sport

Creating a Better World

Growth & Development

Cub Scouts got to experience lots of different interest areas at Cuboree, they may want to plan a project and spend some more time on some of these at home:

- Archery
- STEM activities in Jungle Adventure
- Performing Arts
- Environment, Animals, Working Dogs
- Rockets

Arts & Literature

Environment

STEM & Innovation

# Milestones

Up to 3 Milestone Participation steps can be recognised

- 1 x Personal Growth
- 1 x Outdoors
- 1 x Community

Unit Councils at Cuboree can determine if any of these should instead be an Assist or Lead for individuals.

# Camper Award

Each night spent in a tent at Cuboree counts towards the Camper Award.
