Open for Adventure

Words Of Wisdom From the Chief Commissioner!

WOW, what a first day! Yesterday, the 11th Victorian Cuboree officially 'Opened for Adventure' with over 3,500 Cub Scouts and over 1,300 Leaders, adult helpers, Venturers and Rovers making Gilwell Park their home for the next four days.

Being down at the Sub Camps during mealtime, you could feel the excitement in the air, as the Cubs had dinner and chatted about their day. Without a doubt, one of the most sought-after activities is 'Outback Adventure' as everyone wants to get muddy!

I cannot wait to see and hear more about what our Cubs get up to over the next few days! I'm sure they will have many amazing stories to share with family and friends when they get home, with many memories that will last a lifetime!

Rod Byrnes - Chief Commissioner, Scouts Victoria

A Muddy Message

A reminder that Cubs must wear shoes at all times. For the muddy activity at Outback Adventure, bring a spare pair of shoes, and maybe a change of clothes. Cubs can get clean(ish) at the changing facilities in the base. Cubs can't walk back to camp in bare feet.

Lucy - Director of Activities:

Mr Hollywood Strikes Again

Gateways Galore!

There are some fantastic Gateways onsite for Cuboree 11. Over the next couple of days we will be working to get a picture of every gateway on site, so if you see one of the Marketing team in purple be sure to give us a yell and we shall photograph your gateway!

Baxter W's Grey Wolf Award

Yesterday afternoon, Baxter, from 3rd Ballarat, was the first Cub Scout to be presented with the Grey Wolf Award at Cuboree. Nikki Coffey (State Commissioner - Cub Scouts), was there to help with the presentation, along with Ash Burke (Unit Akela), and Adrian Newman (Cub Scout Commissioner - Western Region). Congratulations Baxter! Well done.

Feel Good Moments

Hello Cuboree,
Now this story is not like any other here onsite this week. We would like to take a moment for everyone to meet Will.

Will is from Unit 111, he is an enthusiastic independent little Cub who unfortunately tested positive for COVID on Sunday night.

So instead of staying in bed all week and missing out on all the fun that his unit may be having here onsite, he decided to set up camp in his very own back yard!

He is camping in his own tent, he is cooking his own food and he is even documenting his journey and sending videos to his unit.

“Well Done”, Will, for being very resilient and adaptive when times got tough!

Police Scouter Badge

A reminder that the Police Scouter Badge is on sale at the Merchandise Shed for \$6. Proceeds from the sale help support the Police Scouters and their vital role in our safety at Scouting events.

Service dogs at Cuboree 11
