Thankful Friday!!

Cubs you did it, you survived Cuboree! We would like to give a big “Thank You!” to everyone for coming along to this event. Whether this is your first, second or even for some it will be their 11th Cuboree, we hope you had an amazing time onsite this week.

We would like to also give a big shout out to all your leaders and adult helpers for coming along and taking care of the Cubs, these sorts of events wouldn’t be possible without them.

Lastly we would like to give a huge thank you and congratulations to all the teams that organised, ran setup and fixed issues at Cuboree 11, we wouldn’t be here today if it wasn't for you all. Well Done!

Feel Good Moments

Onsite here at Cuboree, we are an inclusive program for all. This means that it is possible for the 2nd Glenroy Scout Group to join in with our awesome program.

These guys are a Specialist scout group here in Victoria, for students of the Glenroy special school. These guys love coming to all of our major events, you'll see them in the outdoors and they get involved with anything thrown their way.

Merchandise update

It's been a very busy week in the Merchandise shed! A big thank you to the team, who were up very late last night packing all the Cub badge sets. For Friday, the Merchandise shed will be open from 8am to 1pm.

If your bus isn't leaving early, you might consider a last trip to buy some goodies. Still for sale are badges, mugs, water bottles and tea towels, plus lots of items from previous events.

Meet the Media Team

We just thought we'd introduce our selves before its time to go home. On our team we have Peter, the Director of Marketing for Cuboree, Lacey the Journalist and Photographer for the Newsletter, Bree the VIP's paparazzi and Ayshia, the photographer extraordinaire.

We are the team that has been bring you all of your news and updates via the newsletter and showing all your wonderful parents how much fun you are having here at Cuboree 11 via social media!

What a Week its been, so many ups and downs.
Thanks for having us, it's been a pleasure!

Gateway Competition

The Camp Chiefs travelled around this morning to check all the gateways.

They were so impressed with the effort and energy that has been put into these by the parents, Leaders and Cub Scouts.

Congratulations to **Unit 209**, the winners of the Gateway Competition with their mineshaft entrance. Well done, Unit 209!

From The Chiefs

Thank you for coming to Cuboree 2023. We've appreciated the enthusiasm and smiles that all the Cubs, Scouts, Venturers, Rovers, Leaders and adults have brought to Gilwell Park.

We hope you've had a super-duper experience and have many fond memories of our big event!
