

## SCOUTS VICTORIA BRANCH ARCHIVES- DISTRICT, REGION, GROUP ANNUAL REPORTS, November 29 2023

Scout Heritage Victoria, SHV, is building up the collection of District, Region and some Group Annual Reports to add to the Victorian Archives at its home at 62A Mackie, Rd East Bentleigh.

We already have nearly 4000 Annual Reports, some from the 1930s and 1940s, from both current and earlier Districts and Regions. There are many gaps that we would like to fill to give a full picture of the many volunteer leaders and youth who have benefited and served in the Scout Programme over the years.

We propose to progressively publish this list of both missing and held District Annual Reports which will be progressively updated and be available for viewing on the SHV pages of the Victorian Branch website.

We are appealing to both long serving current and ex-Leaders, Office bearers and members of the Fellowship, Friends, the Foundation, Gilwell Reunion, Queen's Scout Association to browse your memorabilia to see if you have any of the missing reports. If you do, would you be prepared to donate them to us to help complete the State Archives and even assist to start your local District and Group Archives which document and enhance local functions such as Group & District anniversaries.

A number of Districts and Groups are now lodging their full Annual Reports containing the required financials and census on their Extranet page as a key record. We are primarily seeking to collect at least one hard copy of District and Group Annual Reports from previous eras where any soft copies are not available.

Missing Annual Reports could be posted to Victorian Branch Archives, attention Bob Taylor, Victorian Scout Centre, 152 Forster Rd, Mt Waverley, 3174 as there are no post handling facilities at Mackie Rd or, alternatively, hand them to any SHV members you may know.

If soft copies are available, we would be happy to receive them at [scout.heritage@scoutsvictoria.com.au](mailto:scout.heritage@scoutsvictoria.com.au)

As an alternative, Annual Reports and other memorabilia can be hand delivered to SHV at 62A Mackie Rd, East Bentleigh any Monday except Public Holidays between 9am and 4pm where you will find a team 20+ members who can offer you a cuppa and biscuit if you arrive for morning tea around 10am or lunch at 12 noon with a chance to peruse the Museum and the bulging Archives as compensation for your travels!

Many Districts, Regions and Groups have changed names, having both merged and split over the years and the following list below starts with the Country Regions which have changed little and then to Melbourne and the various Counties, Areas and Regions into which it was managed in three distinct periods.

- pre 1963 when all current Regions were called Counties and the earliest Districts pre WW2 were sequentially numbered rather than named.
- 1963-1995, when metropolitan & some provincial Districts were managed by paid staff at an Area Office while most country Districts were in Regions managed by Field Commissioners at Branch HQ.
- 1995 -2009 when District consolidation using LGAs was implemented statewide.

In 2010 the metropolitan Districts were regrouped into two new consolidation Regions, Melbourne and Mt Dandenong plus three new growth Regions, Bays, Plenty Valley and Lerderderg while earlier in 2002 western Victoria Districts were regrouped into West Coast, Western & Northwest (Loddon Mallee) Regions.

These three new growth Regions also incorporated some of their contiguous country Districts which were being encroached by the Melbourne's three urban growth corridors to the west, north and southeast.

The following lists indicate either which year Annual Reports are missing or which SHV already have. The letter "D" after a year indicates a Directory separate from the Annual Report and "Y" a former Yearbook.
