Course format	The pitch	How it works	Formats available in 2024 by course type					Don't pick this if:
			Applications close	Scouting Essentials (ALL)	Scouting Adventure (YPL)	Scouting Management (PSL)	Scouting Leadership (ALL)	
Residential 	The original and the best. This is an immersive experience where you gain the skills needed to succeed in your role, some Scouting spirit, life-long friendships and a support network.	Staying at a Scout adventure facility for a weekend in bunkrooms (and camping for Scouting Adventure).	Three weeks before the weekend.	✓	✓	✓	✓	Distance, work or caring responsibilities make it hard to get the full experience.
Non-residential 	Lots of the benefits of our residential courses, but in locations closer to you.	You attend two online sessions on a weeknight, then complete a task/activity on your own, culminating in an action-packed skills day on one day of a weekend.	About two weeks before the first online session.	✓		✓	✓	You're uncomfortable with some online training or some self-directed learning.
Online 	We learnt over lockdown that some Leaders get some real advantages from an online option. This is great for those who struggle to make it to a training facility for reasons of distance or commitments.	'Be prepared' for a bit of extra homework and some online networking prior to the weekend online sessions to get the full practical experience. If courses fill up, we'll preference people who really need the online option.	Three weeks before the weekend.	✓		✓	✓	You're uncomfortable with some online training or some self-directed learning.
Recognition of Proficiency (ROP) pathway for Scouting Adventure 	A lot of people who get involved in Scouting are already interested and experienced in outdoor activities. We can recognise that proficiency so that you may not have to attend a course.	You gather some evidence of your existing experience and complete a form that you have verified by your Team Leader.	N/A		✓			You don't have previous experience in outdoor activities.
