

Summer

- Run a bring-a-friend night at the start of the year with an awesome activity, collect contact details, and invite friends back again.
- As a Unit, review and update your Unit Code of Conduct
- Participate in Clean Up Australia Day, Sunday, March 1 2026 (or another environmental service project visible in the community)

Tip: At your first Unit Council gathering, have a look at [Program Pulse](#), and set some goals to achieve before the end of Term 2

Autumn

- Support an ANZAC Day commemoration (or another service commemoration visible in the community)
- Complete the [Program Pulse](#) at the end of Term 2

Tip: Get outside and make the most of the light and warmth before daylight savings finishes!

Autumn tip: March is Jamboree on Pedals month, and TrailJam is in May!

Winter

Winter tip: Choose some skills you'd like to learn in the hall during the cooler months that you can apply in nature when it warms up

Spring

- Participate in a ScoutFest activity on World Scout Day, August 1 2026 (or another celebration of Scouting visible in the community)
- Any time during the year, attend a statewide activity for your Section as a Unit (e.g. Zoo Day, Synchronised Campfire Scout Hike, VG, Surfmoor). This can include celebrating 110 years of Cub Scouts and 80 years of Venturer Scouts!
- Decide on the big activities and goals you want to complete as a Unit in 2027, and communicate this to families.

Tip: Also decide on some awesome activities for the first couple of weeks of Term 1 next year

Summer

- Run another bring-a-friend night towards the end of the year with an awesome activity, collect contact details, and invite friends back again
- Complete the Program Pulse (as a Unit or as a Unit Council) at the end of Term 4
