TUESDAY 29 SEPTEMBER

A Long Ride to Cuboree

For Felicity Robinson, it took 14 days and 1,000km on a bicycle to make it to Cuboree. Starting in Adelaide and finishing Monday afternoon here at Gilwell Park, she was welcomed by the Cubs from her Group when she rolled in. When you see her on the Dragons activity base, say hi!

Hooray, it's Tuesday!

Today, the action kicks up a gear as all the Activity Bases are open. Follow the schedule in your Activity Journal, and don't forget your backpack with your gear in it.

There are some amazing activities planned, and we're definitely looking forward to seeing some MUDDY Cubs!

Happy Birthday!

What do you call a sleeping bull? A bulldozer!

Congratulations to those Cubs who have been presented their Grey Wolf Award at Cuboree! Invite the Media team to any important celebrations so we can get some photos!

"It's always an exciting time when our buses arrive full of happy, smiling Cubs and enthusiastic Leaders! It was fantastic to be on the buses today and welcome as many people to Cuboree as I could. I enjoyed seeing you all at the Opening Ceremony!"
