Hello there brother Scouts!
To every one of you, a hearty welcome to our camp. If you've been before, then we are very glad to see you back with us again; and if this is your first time, then a special greeting to you.

You are going to enjoy this camp. You'll find that your fellow Lone Scouts are a friendly gang. If some of them seem a bit quiet at first, it's probably because they are even newer to the game than you are. Try to make them feel happy. In fact, that's what we want you to do all the time. Don't think about yourself; there's sure to be someone else doing that for you!

This is our 16th Oordiyalyal. It will be one of the biggest we have had. Let's make it the best. The name means "The Gathering of the Tribes". All your Tribal Leaders will be there, for some of the time at least, and you'll be able to get together often in your own Tribal groups.

But remember - "A Scout is a brother to every other Scout." Make friends of all the Lones, and other Scouts too. Meet them with a smile, and they'll do the same for you!

BEFORE YOU LEAVE HOME
Read This Carefully

Are you sure that you have told H.Q. exactly when you will join the others, and where? Also, when your train leaves for home? **YOU** must see to all this.

Do not rely on catching a train home on the Monday evening. We hope to arrive back at B-P House at 6 p.m., but we might be much later.

The Scout Shop will be closed all Easter. It will be open on Thursday. The phone will be available only while we are there. MU6049

When you arrive at the station, look out for Kim. He will meet all trains if possible, certainly all Lones who have asked to be met. He will be in uniform. If you miss him, wait at the "Man in Grey".

As soon as you arrive at B-P House, report to Kim or Baloo.

Palliasses All Lones who have been to Gilwell previously are asked to bring their own palliasses. Make a hessian bag 6 feet long. Two chaff-bags would do. (We haven't enough at present). If you make a good one, you could use it later at the Jamboree. If other Lones bring them, so much the better.

Groundsheets Bring one if you can. We will need about 20.

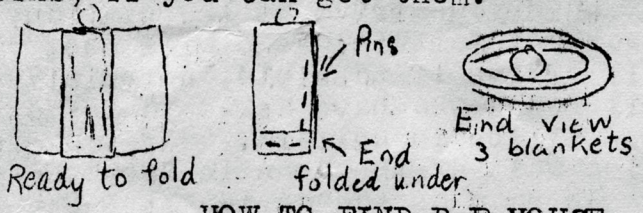

LEARN TO MAKE YOUR BED

Though the days may be warm, the nights are usually cold at Gilwell. You will need all your blankets, and you'll need them well tucked in.

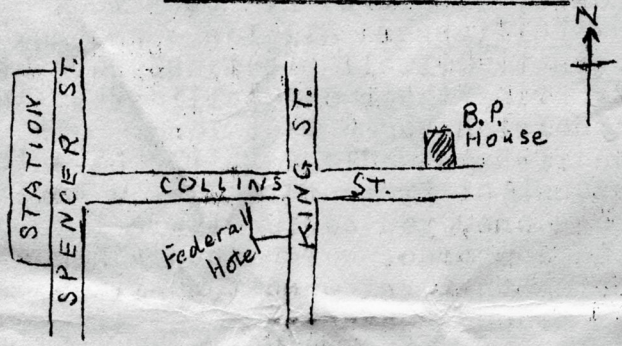

Practise this before you leave home. It's the Scout way of making a bed.

Fold each blanket lengthways, then interleave them like cigarette papers in a packet. This means that you will have half of each blanket under you and half on top.

Then fold the bottom ends under. Pin sides and bottom in position with blanket-pins (very large safety-pins) if you can get them.

HOW TO FIND B-P HOUSE

COOKS PLEASE NOTE

Some of the cooking will be done by the "Troop Cooks" at a central kitchen. This will enable Lones to have more time free for other activities.

Breakfasts, and parts of the other meals, will be cooked by Patrol Cooks, each Scout taking part in this work.

P/Ls will divide their Patrols into three groups: one to cook on Friday, also Monday's lunch; the second on Saturday; and the third on Sunday & for Monday's breakfast.

Cooks' duties

1. Collect rations.
2. Assist Troop Cooks if required.
3. Light fires & put on water. Before meals, see that plenty of water is on for washing up.
4. Cook what is necessary. Get instructions from Q/M.
5. Set tables neatly.
6. Collect food from Troop Cooks.
7. Serve the Patrol before having your own meal.
8. Put washing-up water on table.
9. Clean table, kitchen, utensils, dining-shelter, etc.
10. Put under cover enough fire-wood for the next meal.

Each Scout washes his own plates, cutlery, etc.

THE STORY OF OUR CAMP

Twenty-two years ago the Lone Scouts Section in Victoria was founded by Commissioner Cleve Cole. It is in his memory that the largest building is named, for he died, some years ago, in tragic circumstances.

The first Oordiyalyal (1931) was held in the Training Ground. About 1935, Lone Scout Leaders began work on our own camp, which was first used at Easter in 1937.

The work of building it, after clearing timber and making roads, was done by these Leaders for your benefit. We know that you will be proud of the Camp, and will try to make it even better than it is now.

In recent years the buildings were attacked by white ants. Some very good friends of the Section, the Rovers of Hawthorn, have worked hard to put in new concrete foundations in time for this Easter. We are very grateful to them for this exceedingly good turn.

You will be interested in our remarkable picket fence. I'm sure you've never seen another fence like it! Each picket has been carved by a Lone Scout and sent to Gilwell to represent him. Will you make one when you return home?

By the blazing council fire's light
We have met in fellowship tonight;
Round about the whispering trees
Guard our golden memories;
And so before we close our eyes
in sleep,
Let us pledge each other that
we'll keep
Scouting friendships strong & deep
Till we meet again.

GOOD-NIGHT SONG
Tune: Santa Lucia

Footsteps on distant trail
Campward are bending,
Good fire and bubbling stew
Rich odours sending;
Here is your heart's desire,
Rest when your feet shall tire,
Open air and pals and food & fire,
Joy never ending.

Camp fires are burning low,
No longer leaping;
Scouts sing their evening songs,
Shadows come creeping;
Sun sinks below the west,
Good-night, and may you rest,
Blankets warm and by soft sounds
caressed,
Scouts all are sleeping.

CAMP HYMN

Tune: "Austria" (Glorious things of Thee are Spoken...)

Father, hear us when we praise Thee
For Thy beauties all around;
Stately gums and running streamlets
For all this our camping ground;
For those gathered here beside us,
Boys of every class and creed;
May we know and love them better,
Make us brother Scouts indeed.

Grant that we be ever manly,
To our Law and Promise true,
Frank and fearless, kind and cheerful,
Ne'er forget our deed to do.
May we hand the torch to others
Down the years that are to be,
So that our loved game of Scouting
Helps to bring the world to Thee.

Abide with me; fast falls the eventide;
The darkness deepens; Lord with me abide;
When other helpers fail and comforts flee,
Help of the helpless, O abide
